

## L-E-T-T-E-R RIDE

This year's challenge:

1. Spell Roadrunner HOG using only the below listed communities.
2. Find a sign for that community to take your photo with.
3. Bike and you should be in the photo. You can do a closeup of you and then a photo from a distance with the bike if you can't get the bike in the close-up photo.
4. Must be on a Harley for the photo. If with a group only one bike is needed.
5. You can take a photo as a group but must list all names when submitting.
6. Entries must be submitted by midnight **November 30, 2024**.
7. Entries to be sent via text to 925-786-1819 or email to Navinkerrie@gmail.com
8. I have added the locations for the photos and there should be no problem getting them. However, do not block the fire stations. Also, we will make the final decision on all photos submitted.

Remember this is a friendly challenge. Just get out and explore and enjoy the journey.
