The Life of Ed Baldwin - from Ed's Kids

Ed Baldwin, you know as a Harley-Davidson enthusiast who loved being a member of your club and all the wind therapy that comes with it. He always spoke of you fondly.

As his grown children were so very far away in other cities and states it was reassuring to know that he had a second family who he had for friendship, loyalty, support, and encouragement. He always spoke of the adventures and kinship he shared with you all.

As it turns out, you met him in the final chapter of his life. However, his earlier chapters were equally rich and fulfilling. Our dad loved boating life. As kids we spent our summer weekends on the lake. He taught us to water ski at young ages and the important life lesson of overcoming fear and finding courage to try something new. We spent several vacations floating on Lake Cumberland, KY while living on a rental houseboat and exploring with our ski boat during the day.

Many times, while on the boat our dad would put on Bob Marley and other diverse music. This led his second son and daughter to have a lifelong love of live music and concert going. Sometimes life becomes hard for us all.

When we lost in a sporting event, had a difficult patch in our lives or came up short on a job promotion we really wanted, our dad was there to lift us up and encourage us to keep fighting. He was our greatest cheerleader and confidant. The success we ultimately had in sports, our careers and being well rounded adults and parents came from his so many words of wisdom.

We looked up to our father and learned to emulate his desire to never stop learning. Our dad studied industrial engineering at college, was an avid reader and extremely knowledgeable in a vast array of areas. Through his example we too saw the value of learning and obtained three bachelor #39 degrees, two MBAs and fluency in Spanish between the three of us to take with us into very fulfilling careers. Any success we've had couldn't have been done without his example and encouragement.

Fellow RoadRunners A note from your Hog Chapter Manager.

I just would like to introduce myself. My name is Ron Long, the new Roadrunner Harley-Davidson Hog Chapter Manager.

I could not be more excited about riding with you all and continuing to build an already awesome Hog chapter. Management at Roadrunner Harley-Davidson has put together an awesome team of members and Officers to plan out future rides and events for this Chapter. We are currently setting up ride planning meetings, lots of cool experiences and planning new events.

Please stay tuned to our TEAM Up calendar for all new rides & events. You will see a few new features on the calendar as you can sign up for the ride right there on the event. You can also leave notes for any questions or comments. You will also find a new Roadrunner Hog Chapter web site at www.rr-hog.com, please swing on by and take a look. You will find photos, forms information, ride schedules and much much more.

We are looking forward to participating in the Ride 365 Mileage challenge from Hog National. If you have not already, turn in a Hog Mileage Recognition Form at the dealership. You will find these forms in the Hog Lounge, or our website; any HD employee can come out and verify your odometer. You will have the opportunity to win a bunch of cool stuff from HOG just for riding your bike. It is that easy!

Okay my Fellow Hogsters! That is all I have for now, it is getting hot out there, stay cool, drink lots of water, ride safe and see you on the next ride.

ASSISTANT DIRECTOR

Hello HOG members:

I would like to interduce myself, I am Win Hillebert, a native Arizonian from Holbrook Az. I retired from the Holbrook Police as a Lt., that was my first career. My second career was a Supernatant for two piledriving companies in California.

In 2017 I moved back to Arizona as a full-time retiree, enough about me I am looking forward to serve you all as your Asst. Director.

In the future I look forward to having some different challenges for everyone and lots of great rides. The whole objective is to RIDE AND HAVE FUN so I look forward to meeting each and every one of you. Stay safe and keep Hydrated in these hot temps.

Asst. Director

Secretary's Notes

Julie Softley Bio

I've been a professional in the fitness industry for over 45 years. Even though I'm semi-retired I am still a Medical Massage Therapist and Teach Reformer Classes for Club Pilates when I am not riding with our HOG Clubs. I've been riding a tri glide for 8 years and currently have a sparkly red 2012 and my newest baby is a 2024 Alpine green and black beauty. I love being part of the Harley Davidson world, previously I've been an Activities Officer and now your Secretary. We split our time between Goodyear and Prescott Valley so I have an amazing opportunity to ride all over our wonderful State. In Goodyear I live 5 minutes from Roadrunner so you will probably be seeing me at the dealership a lot volunteering to promote our Chapter.

Julie (Juls) S.

Secretary

Treasurer's Report

My name is Maryann Karides and I look forward to serving the chapter as your Treasurer.

I have been a HOG Chapter member for several years and served as Secretary, Activities and Membership officer in a couple different Chapters. We moved to Arizona in November of 2020 from California, and I retired in December 2020 after working for over 35 years with Valpak Direct Marketing. My first Harley was a 2002 Deuce, I've also owned 2 different Street Glides and a Heritage. My current ride is a 2024 Road King Special. I grew up riding (remember the 50 cc Honda's), they were great for popping wheelies on the driveway and making a peace sign track in the empty lot next to our house. During my high school years, I owned a Suzuki and rode it to school when we didn't have snow on the ground in Michigan. YES, I love to Ride!

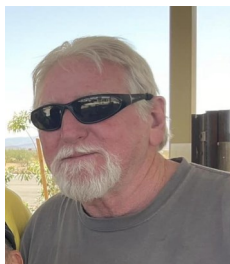

Membership

We are at 121 members and looking for more. Any Harley owners asking about our Chapter, give them our website url.

CO Head Road Captain

NewsLetter July 2024

“Anyone can be a Road Captain”

I have heard that said numerous times.

I don't buy it.

First off, the obvious fact is that many Riders have no interest in the obligations and responsibility of being a Road Captain.

As a Lead you must watch for the Riders behind you and set the appropriate pace. You need to keep evaluating the Road conditions and hazards for the riders behind you. You must consider when to stop for breaks, keeping in mind that others may need to stop more often than you. Sometimes, you might even have to consider alternate routes on the fly due to construction of traffic.

Our Road Captains look at maps, GPS and pre-ride routes. That way our Riders can just follow the Rider in front of you and be confident of a fun and safe journey.

Our Road Captains are well-organized, disciplined special individuals that Are committed towards safety and the welfare of all individuals within our group.

From the Lead, Shotgun and the Sweeps in the back ~ We have your back!

CO Head Road Captain

It is a pleasure to be your “Co”-Head Road Captain. Let me introduce myself so you will get to know a little about me. I have been part of a HOG Chapter since 2014 and a Life Member since 2006. It has been my privilege to hold different positions as Director, Assistant Director, Road Captain, and now Co - Head Road Captain.

My first Harley Davidson was a 2006 Softail and then moved to the Touring models and quite partial to Road Glides. Currently my ride is a 2022 RGS. Like you I purchased a Harley to ride and not just look at it in the garage.

When I first joined a HOG Chapter I remember someone saying that you get out of a chapter what you put in. With that, I jumped in full stride and got involved with chapter events and really enjoyed getting to know most of our members. Many of them to this day are some of my best friends. Since moving to Arizona, I have met many more people and made new friends here.

As your HRC it is my/our responsibility to provide our members with fun rides and to get all of us to our destination in a safe manner. I look forward to learning more about all of you as well as riding with you.

So, with that said, Let’s Ride and Have Fun!

Lou Karides
Co-Head Road Captain

Safety Officer

I am Jim Phalin the Safety Officer for Road Runner HOG Chapter 5112. This is my second year as Safety Officer and knock on wood we've had zero riding incidences to date and hope not to ever.

I am one of the many charter members of this chapter since June 2020 and qualified Road Captain since December of 2022. I currently ride two bikes. One is a 2002 Road King Classic when I feel like going old school and a 2023 Road Guide Limited CVO when I group ride with all the bells and whistles. I've been riding motorcycles since I was a teenager.

I have been married to my best friend Terri for 38 years now who is also your LOH officer. We raised 4 kids together and currently have 6 grandkids that we adore. I am fully retired since May 2020 after enjoying two wonderful careers. I am a navy veteran where I was a Navy Deepsea Diver transitioning out after 28 years of service as a Master Chief, Master Diver. My second career of 16 years was with a military equipment distributor called ADS. I worked as the west coast sales account manager for all west coast Navy Seals, Explosive Ordnance Disposal and Navy Diving commands.

Even though retired I volunteer as the Executive Director of the Navy Divers Association. I manage a 10K per year college scholarship program, pull off a Navy Divers Reunion every two years and manage a \$8000 navy diving merchandise inventory used for scholarship fundraising. I also manage a webpage and two NDA Facebook pages.

When not doing NDA work, I keep active playing pickleball a couple hours 3 times a week and ride my motorcycle whenever I can. We have a 40-foot class A diesel pusher that we get out as much as we can during the winter and take off during most of the summer months visiting family, friends, and National Parks.

That's my story and I'm sticking to it.

Jim P.

Safety Officer

Activities Director

Well, summer has finally arrived with the triple digits and just think we are halfway through the year. Time flies when you are having fun. Bio of Terri Phalin

My name is Terri Phalin, I am your Ladies of Harley Officer

After 30 yrs of Banking then 7 yrs of Senior Care, along with raising four kids and one of our grandsons, my husband and I decided to retire. In May 2020 we moved from San Diego, CA to Surprise, AZ. We love to travel in our RV mostly summers, usually towing our bike and car. We visit family who are all spread out and our friends along the way. We enjoy visiting National Parks, hiking and exploring and we are always looking for a beautiful riding experience. Our new friends in Arizona introduced us to Roadrunner. We became Roadrunner Harley Charter members during its first year of opening. In October 2023, I made the bold decision to go from passenger to rider. I took a 3 Wheel Riding Course at Team AZ. In January 2024, I found the perfect 2019 Freewheeler Trike and began practicing and learning the skills necessary to become a safe new rider. I ride

as often as I can, including overnights and long-distance rides. I am

loving every ride and loving the time spent with friends and new friends that I have made along the way. As your LOH Officer I hope to inspire other women to ride, either as a passenger or on their own.

Life is good!
