H.O.G. Manager Ron Long

Hogsters.

Well guys this is a bittersweet moment in my Harley-Davidson HOG Career. I have accepted a new position as a Commercial Fleet Sales Associate at Midway Chevrolet.

We have had a heck of a ride in the past few years. I want to thank each and every one of you for all the dedication to the Chapter and Hog organization.

I value all the friendships and relationships that have been cultivated over the years. You guys & gals are the best.

I will start my new position at Midway October First, at that time I will continue as your H.O.G. Chapter Manager on a part-time basis. I will come into the dealer 1 Day a week to update the mileage reports, new membership forms etc. I will be attending all the officer meetings and general meetings.

If needed I will be available by phone.

Now that that bit of news is out of the way! Let's get ready for some football.

Thank you, guys, for all that you do. You are the best.

Here is a small clip while we visited Wyatt's Lemonade Stand in Sturgis 2025, they took of us rolling in.

Looking Back – 3rd Quarter Highlights

This past quarter was full of great miles, great weather, and even better company. Our chapter logged some memorable rides that truly captured the spirit of the open road. Highlights included:

- **1st Quarter** – Incorporating the MY AZ Map stops into our ride calendar gave us a solid turnout of riders, visiting places some of us had never heard of or been to, but more importantly raised support for the Tour of Duty Ride.
- **2nd Quarter** – We kicked off the quarter with AZ Bike Week, a scenic cruise through Palms to Pines to Big Bear, where we enjoyed winding roads, great food stops, and plenty of laughs, and ended with the excitement of the White Mountain Rally.
- **3rd Quarter** – We used the quarter to explore breakfast rides across the valley, and quick getaways to cooler temps in the north!

These rides gave us a chance to strengthen our bond as a chapter, welcome new members, and remind ourselves why we do what we do—ride, eat, laugh, and repeat.

We welcome EVERY member's attendance/input for rides during our ride planning events. If you haven't been to one yet, please be sure to pay attention to the weekly emails as well as Teamup. Got an idea for a ride? Talk to one of our HOG officers or a road captain!

Secretary Tiffany Granmo

As we close out the 3rd quarter, I want to thank all of our members for making this another strong season for our chapter. The rides we've shared over the past few months have not only added miles to our odometers but also built lasting memories and stronger friendships within our group. Participation has been outstanding, and it's great to see both longtime members and new faces showing up to ride together.

Looking ahead into the 4th quarter, our calendar is full of opportunities to finish the year on a high note. We'll be hitting the road for more incredible rides (and food!), ultimate game day experiences with Arizona Cardinals games, honoring our veterans with the annual Tour of Duty ride, and coming together for our annual holiday party this winter. These rides not only give us time in the saddle but also allow us to give back to the community and share what it means to be part of Harley Owners Group.

As always, please make sure your contact information is up to date so you don't miss announcements or ride details. If you know of a fellow member who hasn't been able to join us lately, reach out and encourage them to come along. Every ride is better with a full pack.

Thank you all for your continued participation, support, and the energy

Treasurer Maryann Karides

Safety Officer “ Ras” Michael Priebe

Hello Fellow Roadrunners!

By the time you read this, the summer heat should be in the history books for 2025, and the weather that makes Arizona one of the best places in America to ride will be here. I endure the summer heat so that I can enjoy the rest of the year. I know at least some of you feel the same way.

I want to share some info I received from an LOH officer at the Superstition HOG Chapter. Joanna (Josie) attended our September meeting and told us about a medical alert bracelet she uses. It's available on Amazon and could provide critical info to first responders in a medical emergency.

This is a one-time purchase, no subscription fees required. You can go to their website and enter information you would want responders to know, such as allergies; chronic medical conditions like asthma, epilepsy or diabetes; and medications you're taking or allergic to. You can list a contact to notify if you're down, and even mention you have pets at home that need to be fed.

Unlike some other medical bracelets, you don't have to use an app, or pay a recurring fee, and you can update the information any time without having to buy a new bracelet.

I know some of us keep emergency contact info on our phones. As Josie pointed out, in a crash a phone can be thrown from the bike or damaged. Maybe you lock your phone. The bracelet doesn't need to be charged, and you wear it on your wrist, and the first responder simply scans the bar code.

If you're interested in this product, it can be found here:

https://www.amazon.com/dp/B0D4YJWRVY?ref=ppx_pop_mob_ap_share

You might want to do some research on your own and look for similar items that might fit your needs even better.

Here are links to Team Arizona's motorcycle safety courses page. Always worth checking out upcoming course offerings to enhance our riding skills.

Ride safe and have fun!! --- Ras

Historian Kristi Strother

Hello! My name is Kristi Strother.

On Wednesday, August 6th, I accepted the role of our Chapter Historian.

I didn't know much about the position at the time, but if you've seen me carrying around a little black book (no... not for collecting hot biker numbers!), you already knew I have a habit of documenting every ride I take.

I've filled 17 journals, covering over 155,000 miles. Every single ride goes into that book—even if it's just a quick trip to the dealership. I jot down mileage, routes, weather, interesting moments, people I meet, idiot drivers I encounter, beautiful scenery, how my bike performs, the music I blast, and the words that help capture that indescribable feeling of racing down the road—grateful and free.

So yeah, you could say this role is a perfect fit for me.

As a teacher, I love researching, writing, and storytelling. As a biker, I live for the camaraderie, the adventures (and the occasional crazy shenanigans), and the unmatched freedom of the open road.

Since I'd never been a historian before, I looked up the definition... and wow, I thought 'shoot me now'. Most of the definitions were as dry as counting sand grains in the desert. But then one word jumped off the page and made my heart race: Storytelling.

And then another: Memories.

That's what I'm here for—to tell *our* memories. Whether it's a quick breakfast scoot or a long weekend in Big Bear, I'm thrilled to help capture the amazing people, the epic rides, and the unforgettable moments that make this chapter so special.

Historian - continued

How Roadrunner Harley-Davidson began matters. The people who had the vision and put in the hard work deserve to be remembered. And just as important, I want to find fun ways to celebrate what we're doing *now*. How cool is it that future members will get to look back and see everything we're lucky enough to be part of today?

I may not catch every moment, and I may make a few mistakes along the way, but I'll do my best—and I'd love your help! Got a memory, idea, or story to share? Shoot me a note at Kizzymarie14@hotmail.com. I'd love to hear your take!

Okay friends, buckle up (wait... wrong vehicle)... strap on your helmet, and let's make some history—one wild, windy, wonderful mile at a time.

With love, laughter, and the throttle pinned,

Kristi

Your Speedy (and Slightly Nosy) Chapter Historian

**Mark your calendars for The

Photographer MJ Britton

In case you missed last month's article
Here it is.....

Seeing that Troy had to make room for another Rocker (Road CPT) on his vest, it appears that the Photographer position became available.

I appreciate the chapter's faith in my abilities and hope to not disappoint! I have dabbled in the art for many years, and love seeing people's reactions to photos of themselves. Although I am especially fond of candid shots, I have also done portraits and catalog shots for friends. So, if we are out and about and you'd like a private/solo picture please let me know!

That being said, also let me know if you want a photo removed from the page, or do not understand a caption. Being raised by an Irish Catholic Cop from Boston has skewed my personality, and my humor may not always translate (unless you are Tiffany). Just know that I would never intentionally dis, insult or otherwise disrespect anyone.

I am looking forward to collecting smiles and preserving memories with my Roadrunner Family!!

Meep Meep!

Webmaster and Membership Troy Hall

This quarter has been a productive one for the Chapter, the Chapter Leadership and me personally.

My personal riding journal has given me over 41k Lifetime Miles in just 20 months, almost 18k for this year with 16.5 on the 8 month old CVO and nearly 27k on the Sportster S. What can I say... I love riding.

With other Members stepping up or moving on from Officer duties, I have had the opportunity to relinquish 2 of the 3 roles I held [Editor and Photographer] and picked up a new one to assist wherever I can. With that, I am still the Chapter Webmaster and now the Membership Officer.

Along with some other Officer movement, THANK YOU to those that served in former roles and those that step into new roles.

Webmaster and Membership Continued

On the Webmaster front, look for bi-weekly updates to the current content and format. Recent updates to our mileage and events are there.

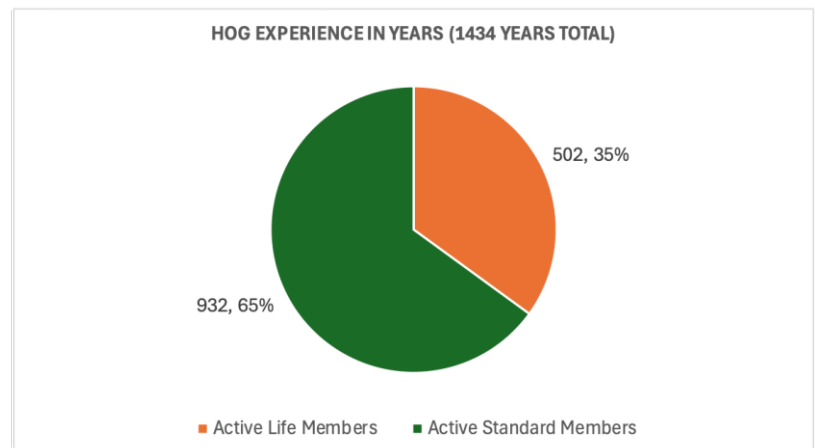

I am looking to make new updates to our webpage [with officer specific links, animation and other visually stimulating items], replace our chapter FB Social Group page (not the member page), get the Chapter events on the HD App, create a YouTube channel and other social media efforts to help spread the word of our chapter.

On the Membership front, I am enjoying this new role as it ties in well with Webmaster and it taps into my analytical/ data mining mindset. Our membership roster tells so many stories of our Chapter and I am just scratching the surface.

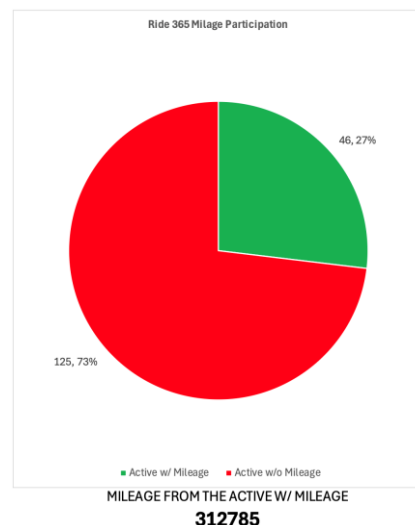

As of 9/1, Chapter Membership was at 183 members with 24 Lifetime members. We are 15 Members away from breaking 200. We have 2 new members that joined after 9/1. Check the website, your email and the member FB page to see who they are.

Fun Fact: We have 1434 years of riding experience. 932 years comes from our Standard Members while 502 comes from our Life Members.

Webmaster and Membership Continued

Fun Fact: 27% of our members [46 Roadrunners] have contributed more miles in 8 months than we had all of 2024. While impressive, we have 73% [125 Roadrunners] who I have not logged any miles this year. It's not too late to get your mileage readings started to capture the rest of the year's miles.

Some enhancements i am looking to make to Membership includes the following:

- National HOG Anniversary monthly recognition (in progress)
- Life Member Anniversary monthly recognition (in progress)
- New Member Welcome recognition (in progress)
- New Member Orientation (pending launch)
- New Member Orientation Ride
- Monthly Member Suggested Sponsored Ride
- General Chapter Meeting Open Invite
- Chapter Resource Training (Ride 365, HD App, Website, Facebook, Team Up, etc...)

And a whole lot more...

Question for you. If you had the option to have a Join Roadrunner HOG Chapter QR Code/Logo vinyl sticker, to place on your bike(s) or car, would you want any?

Here are two ideas but please give me yours:

HOW WE ROLL

Please **ARRIVE EARLY** with a **FULL TANK OF GAS**.
The pre-ride briefing by the Lead Road Captain will begin 15 minutes prior to the schedule departure time.

Check your **TEAMUP CALENDAR** at

<https://teamup.com/ksk8dhsnrrkemvyqjq>

for the most up-to-date ride information & to check for any updates or late changes

RIDES AND EVENTS SCHEDULE

- All rides are weather permitting
- Non-Chapter members and all minors must complete a waiver form before the ride begins
- Chapter activities are conducted primarily for the benefit of Roadrunner H.O.G. chapter members

There are three categories of activities for Roadrunner H.O.G.; all activities are identified as follows:

Closed Events: open only to RoadRunner H.O.G. members and a guest

HOG Member Events: open to any national H.O.G. member

Open Events: Open to chapter members, national H.O.G. members and other guests

All RoadRunner activities are closed events unless otherwise stated.

Group riding requires a commitment by all individual riders to ride within their own skill level while contributing to the safety of all. This means that if you are not comfortable riding at the group's pace, it is important to move toward the front of the group (behind the Shotgun and Lead riders) so they can properly and safely adjust the pace and still keep the group together.

If a rider begins to split the group by riding more slowly, or "pushes" the rider in front of him/her by riding faster than the group, safety can become jeopardized. If you are concerned about how the group rides, please talk with a Road Captain to gain feedback on the best way to ride in a compatible manner. If the group is separated and the Lead can no longer maintain visual contact with the Sweep riders, the safety of others becomes threatened. We want everyone to have fun, feel comfortable & experience a safe ride.

How to Use TeamUp

To use TeamUp, you go to teamup.com on your computer or get the TeamUp Calendar app. When you have done this, you will create an account. On the computer it will ask you to confirm your email address and when it does it will ask you to login. Now it will say create a new calendar or existing one. Select an existing one and on the next page enter this link: <https://teamup.com/ksk8dhsnrrkemvyqjq>

On a cell phone you add the App. If you have not already created an account, you will do it now. If you did or finished creating your account login, it will say “create a calendar” in larger print, but below it in smaller print it will say “open existing account”. Click on Open existing account and add the following link: <https://teamup.com/ksk8dhsnrrkemvyqjq>

When you have done this, you should now see **Roadrunner H.O.G. #5112** on your screen. From now on, any ride that we add to this calendar should show up in about 2 minutes if your devices are turned on.
